

## Extended Booster Use Gallery

This page is for anyone WORLDWIDE who would like to share pictures of their children in their booster seats. If you'd like to have your child featured on this page, please send an email with a picture of your child attached. The picture must be AT LEAST 168x168px the bigger the better however. Please send pictures and the information outlayed below to [childrestraintsafety@gmail.com](mailto:childrestraintsafety@gmail.com)

The criteria for listing on this page:

- Child must be five years or older
- Child must be correctly restrained in a correctly installed booster seat (if by chance something isn't quite right, you will be emailed back and informed so you can rectify the issue)
- I must have the permission of the owner of the photo/guardian of the child pictured, to use the photo, by submitting a picture "permission" to use it will be assumed.
- Please include your child's age and weight and if you have it, the height, although this is optional
  
- Please also include the country you are from

If you do not meet all of the criteria then I unfortunately cannot list you on this page. If you accidentally miss one or two things out - I will let you know
