

## Extended Harnessing Gallery

This page is for New Zealand and Australian residents who would like to share their pictures of their children practising what's commonly referred to as "Extended Harnessing". If you'd like to have your child featured on this page, please send an email with a picture of your child attached. The picture must be AT LEAST 168x168px (the bigger the better however). Email all pictures and details to [childrestraintsafety@gmail.com](mailto:childrestraintsafety@gmail.com)

The criteria for listing on this page:

- Child must be over four years of age
  - Child must be correctly restrained in a correctly installed harnessing device (if by chance something isn't quite right, you will be emailed back and informed so you can rectify the issue)
  - You must be either from New Zealand or Australia using only products/restraints that are available in New Zealand or Australia
- I must have the permission of the owner of the photo/guardian of the child pictured, to use the photo, by submitting a picture "permission" to use it will be assumed.
- Please include your child's age, weight and country.
