

Gallery

The Gallery section is to display pictures submitted by parents of their children practicing what's called "Best Practice" such as:

- Extended Rear-facing = over 6 months of age and over 8kg
- Extended Harnessing = past 4 or 18kg (40lbs)
- "Extended" Booster Use = past 5 years of age

If you would like to have your child submitted to one of the above galleries, please email childrestraintsafety@gmail.com in the subject line please add which gallery you would like them added to. Please also include their age, weight, height and name (if you are not comfortable with their "real" name, feel free to make one up!).
